

## HARRIS-STOWE STATE UNIVERSITY - EMERSON CENTER OF PERFORMING ARTS

**KWAME** teamed in a joint venture with Sverdup on construction of the multipurpose Harris-Stowe State University - Emerson Center of Performing Arts.

The facility is used primarily for physical education and activities and also houses a workout room, art room, small theater and gymnasium for basketball and other activities.

**KWAME** ensured construction quality, cost and schedule performance by providing project supervision, total quality management and vendor/client interface during the pre-construction and construction phases of this project.
